\$3.25 HALF PINT \$4.25 PINT \$15.00 PITCHER

CZECH PILSNER

5.0%

Brewed in the Bohemian tradition, using the finest imported European Malts and hops. Cold lagering results in our version of a classic European style Pils.

AMBER

5.0%

Crafted from a blend of three malts and imported German Hops. A smooth and malty beer that is perfectly balanced.

MONKEY KNIFE FIGHT PALE ALE

4.5%

Our American Style Pale Ale. Made with Crystal Malts and just enough Mt. Hood hops in the finish. A great session beer.

INDIA PALE ALE

6.5%

Generous portions of Cascade and Chinook hops are added throughout the brewing process to create Rubicon's Flagship Ale. Golden in color with an assertive hop bitterness. This beer won gold medals at the Great American Beer Festival. A true American Classic.

STOUT

4.8%

Our darkest ale is brewed in the famous Irish Dry Stout style. We use dark roasted malts and imported English East Kent Golding Hops. Served at our pub with nitrogen for a truly classic presentation. A bronze medal winner at the Great American Beer Festival.

ROSEBUD STRONG ALE 2009

8%

First brewed in 1995 on the day Jerry Garcia Died, and is named after one of his guitars. This complex multi grain ale is made with a blend of twelve types of malted barley. The spicy hop character comes from select German and Czeck Hops. Served unfiltered to allow maximum flavors for your enjoyment.

OL' MOE PORTER

7.5%

Rubicon's West coast style porter. Named after our first Brewmaster, Phil Moeller. Inspired by our early days as homebrewers, we make this beer strong and malty with lots of West coast hops. Brewed using pale malt from England, Munich malt, malted wheat, dark crystal malt, and Chocolate malt. Hopped with Warrior and Cascade hops from the Yakima Valley.

★ REDBRIDGE GLUTEN-FREE BEER

4.8%

ANHEUSER-BUSCH, INC., ST. LOUIS MO

Redbridge is made without wheat or barley, so the approximately 3.2 million consumers who are unable to drink beer made with barley due to Celiac Disease or because they follow a wheat-free or gluten-free diet can once again enjoy a great tasting beer. Redbridge is a rich, full-bodied lager brewed from sorghum for a well-balanced, moderately hopped taste. SERVED IN A 12 OZ BOTTLE.

★ OUR SPECIAL ALE, 2008

5.5%

ANCHOR BREWING CO., SAN FRANCISCO, CA

Redbridge is made without wheat or barley, so the approximately 3.2 million consumers who are unable to drink beer made with barley due to Celiac Disease or because they follow a wheat-free or gluten-free diet can once again enjoy a great tasting beer. Redbridge is a rich, full-bodied lager brewed from sorghum for a well-balanced, moderately hopped taste.
